## The Rhythm Show

Hear And Play  
Cool Rhythms!

Learn How  
It All Works!

Kids create hot tracks with  
latest looping technology!

Beat Box uses an unique combination of big talent, technology, new ideas & comedy to do more than demonstrate the skill of the performers. Your students really learn how to create their own high quality rhythm-based music.

CD recording of your own  
creations sent on request!

An exploration of rhythm & not merely a drumming show, Beat Box also uses voice, body percussion, plus found objects to show that music can be made anywhere by anyone. A fully engaging blend of show, workshop, & fun!

Everyone gets a turn!

**Practical Teacher Notes** provide genuine follow-up exercises and information, with a CD of your school's creations available after editing from TIE.

**FEEL THE BEAT!**
